

When receiving food and other items at the Wittenberg Food Pantry, I understand the food I receive can be outdated or not saleable. I understand that all fresh fruits & vegetables must be washed and all liquids and semi liquids should be checked before using. I also understand that the Wittenberg Food Pantry will not be responsible for any injury that might be claimed.

I understand that any items received at the pantry, including vouchers, are to be used by myself and household and will not be sold or given to anyone else. If I do not use the items as intended, I understand myself & anyone in my household will not be allowed to use the pantry.
